The Chinese Government having (through the Hon. Anson Burlingame) conceded to this Company the privilege of connecting the great seaports of the Empire by submarine electric telegraph cable, we propose commencing operations in China, and laying down a line of nine hundred miles at once, between the following ports, viz:

	Population.
Canton	1,000,000
Macoa	60,000
Hong-Kong	250,000
Swatow	200,000
Amoy	250,000
Foo-Chow	1,250,000
Wan-Chu	300,000
Ningpo	400,000
Hang Chean	1,200,000
Shanghai	1,000,000
Total	5,910,000

These ports have a foreign commerce of $900,000,000, and an enormous domestic trade, besides which we have the immense internal commerce of the Empire, radiating from these points, through its canals and navigable rivers.

The cable being laid, this company proposes erecting land lines, and establishing a speedy and trustworthy means of communication, which must command there, as everywhere else, the communications of the Government, of business, and of social life especially in China. She has no postal system, and her only means now of communuicating information is by couriers on land, and by steamers on water.

The Western World knows that China is a very large country, in the main densely peopled; but few yet realize that she contains more than a third of the human race. The latest returns made to her central authorities for taxing purposes by the local magistrate make her population *Four hundred and Fourteen millions*, and this is more likely to be under than over the actual aggregate. Nearly all of these, who are over ten years old, not only can but do read and write. Her civilization is peculiar, but her literature is as extensive as that of Europe. China is a land of teachers and traders; and the latter are exceedingly quick to avail themselves of every proffered facility for procuring early information. It is observed in California that the Chinese make great use of the telegraph, though it there transmits messages in English alone. To-day great numbers of fleet steamers are owned by Chinese merchants, and used by them exclusively for the transmission of early intelligence. If the telegraph we propose connecting all their great seaports, were now in existence, it is believed that its business would pay the cost within the first two years of its successful operation, and would steadily increase thereafter

No enterprise commends itself as in a greater degree renumerative to capitalists, and to our whole people. It is of vast national importance commercially, politically and evangelically.

☞ The stock of this Company has been unqualifiedly recommended to capitalists and business men, as a desirable investment by editorial articles in the New York *Herald, Tribune, World, Times, Post, Express, Independent,* and in the Philadelphia *North American, Press, Ledger, Inquirer, Age, Bulletin* and *Telegraph.*

Shares of this company, to a limited number, may be obtained at $50 each, $10 payable down, $15 on the 1st of November, and $25 payable in monthly instalments of $2.50 each, commencing December 1, 1868, on application to

Union tp. Aug 12 w3*

The Bedford Gazette.

Things to be Remembered when You go to the Polls.

We are disposed to regard the unusual calm which has prevailed throughout the present political campaign in this State as a favorable indication.—We believe the people of Pennsylvania are quietly thinking over the issues of the day, and preparing to vote intelligently and independently at the coming election. They cannot be carried away by a whirlwind of passion, as they have too often been heretofore. They will not be forced to vote as party leaders may dictate; but will go to the polls in October as freemen should, prepared to break the ties of party, if they believe the best interests of the nation and the State demand it. Believing that to be the present temper of the people of this Commonwealth, we respectfully ask each voter to remember certain prominent facts and political occurrences when he goes to the polls.

REMEMBER,

That the Union is still divided; that its restoration has been delayed for the sole purpose of continuing certain persons in office; that the material interests of the North and the South have been alike impaired by the partisan action of Congress; that the burthens of taxation have been thereby increased; that business in both sections has been prostrated; and that a complication of evils has been produced which has disastrously effected every producer and consumer in the nation.

REMEMBER,

That States which have complied with every demand of Congress, unjust and oppressive as many of them were, are still deprived of representation in the councils of the nation, not only in violation of the Constitution of the United States, but even in violation of the enactments of a Radical Congress.

REMEMBER,

That Grant was no sooner elected than a Radical Congress passed the Fifteenth Amendment, in violation of the pledge given to the country in the second article of the Chicago Platform; that an effort is now being made to force upon the people of this State, by fraud, negro suffrage and negro equality which have been established in the South by military violence; and John W. Geary is responsible for the refusal of the Radical Legislature to permit that question to be submitted to a vote of the people, though thousands of citizens, without respect to party, petitioned for that right.

REMEMBER,

That a host of useless officials have been appointed to eat out the substance of the people, who swarm all over the land, like locusts of Egypt, while the masses pay tithes of their toil to support them in luxurious idleness.

REMEMBER,

That the Secretary of the Treasury has made false exhibits of the national indebtedness for a partisan purpose, declining to count the bonds given to the Pacific railroad as part of it, and manipulating his monthly statements in other respects to deceive the people.

REMEMBER,

That a tariff has been so framed by Yankee monopolists as to greatly enhance the price of the necessaries used by the masses, while luxuries for the rich are admitted at comparatively low rates of duty.

REMEMBER,

That Grant has shown utter unfitness for the position that he occupies; that he has disgraced the nation by appointing to the highest offices men who gave him large presents; that he has used his office to enrich his relations regardless of the public interests; that he has spent his time in idleness at fashionable resorts, and in "swinging round the circle" of first-class hotels as a first-class dead head, while grave questions demand the consideration of himself and his cabinet.

REMEMBER,

That the election of Geary and Williams will be regarded as an endorsement of all the acts of the Radical Congress and of the course of Grant.

REMEMBER,

That the present contest involves the most important local issues, and that it ought rightly to be decided upon them.

REMEMBER,

That the expenses of the State Government in all its departments have been vastly increased under Geary, and the money wrung from the taxpayers recklessly squandered.

REMEMBER,

That under Geary's rule the grossest corruption and the most unblushing bribery have prevailed in the State Legislature. The office of United States Senator, and that of State Treasurer has been openly put up at auction and knocked down to the highest bidder.

REMEMBER,

That it has become impossible, since Geary was made Governor, to get any bill through the Legislature without paying for it, and that almost the entire time of that body is devoted to passing the multitude of improper private acts which have swelled the volumes of our pamphlet laws to the most ponderous proportions.

REMEMBER,

That Geary declined to use the veto power to check the mighty and growing end of special legislation; that he signed the infamous Herdic act, by which a judicial district was summarily wiped out of existence, that he appended his signature to a bill increasing the rate of tolls on the canals, which enabled the railroad companies to defy competition, and thus largely increased the cost of transporting grain, coal, groceries, and all bulky commodities; that he approved the calamity bill, which fixes the maximum rate of damages for loss of limb by the negligence of railroads at $3,000, and for the loss of life at $5,000; and remember that these are only a few of the more outrageous instances in which he prostituted the power conferred upon him, at the dictation of wealthy men and mammoth corporations.

REMEMBER,

That under his rule, and unrebuked and unrestrained by him, an army of extra pasters and folders has been employed every winter, many of whom, like Illyus, of Mt. Joy, never did an hour's work, and yet were paid out of the hard earnings of the toiling masses.

REMEMBER,

That Geary confessed in his speech at Troy that he could not check the corruption of the Legislature, or lessen the waste of the public funds.

REMEMBER,

That he has been openly charged by prominent Radical newspapers with being the corrupt tool of the legislative ring, and the candidate of the "roosters" and "pinchers."

REMEMBER,

That Geary has abused the pardoning power so grossly, that prominent Republican newspapers in different parts of the State, have been compelled to denounce him for 'urning many dangerous criminals loose upon the community.

REMEMBER,

That Radical newspapers have characterized Geary as a "loafer," denounced him as "a liar," declared him to be "a humbug," and pronounced him to be "lacking in integrity," "the willing tool of the ring," and "wanting in all the requisite qualifications for so high an office."

REMEMBER,

That leading Republican newpapers have charged Geary with having packed the State Convention which renominated him with the tools of the legislative thieves, and that at least one honest and distinguished member of that body refused to vote for a resolution declaring him to be the unanimous choice of the party.

REMEMBER,

That Geary has solicited admission into every secret Order, in hope that he might thus make votes, and for no other or more worthy purpose.

REMEMBER,

That Geary made a laughing stock of himself during the Canvass of 1866 by a very silly toast which he proposed while drinking lager with Germans of Erie, that he pledged himself in favor of a prohibitory liquor law when he joined the Good Templars in 1867, and then told those that had initiated him that he had not tasted any intoxicating liquor since he was seven years old.

REMEMBER,

That there can be no hope of reform in the State Legislature if Geary should be re-elected, that the chiefs of the ring which packed the State Convention have been renominated, and that they expect to renew their carnival of plunder if their candidate for Governor should be chosen.

REMEMBER,

That Asa Packer pledges his word that he will break up the legislative ring if he is elected, that he is an honest and truthful man, whose word is as good as his bond, and that he will inaugurate an era of economy and reform.

REMEMBER.

That Henry W. Williams, the Radical candidate for Supreme Judge, did not scruple to sit in a case where he had a direct personal interest in the decision, something never done before by any Pennsylvania Judge, and that he is pledged to administer the office of Judge in accordance with the views of his party, and not according to law and justice.

REMEMBER.

That Cyrus L. Pershing adds to great ability the most inflexible integrity and the most incorruptible honesty, and that he will administer justice without fear, favor, affection or partiality.

REMEMBER,

That you are in duty bound to vote as sound judgment dictates, regardless of party, and that, if you do so, you cannot conscientiously support John W. Geary and Henry W. Williams at the coming election.

Judge Packer and his Taxes.

To a modest man, like him whose name heads this article, the publication of the following facts is most distasteful, but they are forced into the light by the constant, malignant and willful falsehoods of unscrupulous Radical newspapers and irresponsible Radical speakers. Failing to find any assailable point in Judge Packer's private character, and conceding that his wealth is the result of industry, they now resort to a most unjustifiable and malicious attack upon his integrity as a tax-payer. They do not stop to ask if the assertion is true, but upon the reckless charges of a small sheet, published in the borough of Mauch Chunk, and one individual of as little authority, they base this disgraceful and flagrant violation of truth. We will see, "how plain a tale shall put them down." It is alleged that Judge Packer sought to evade the payment of taxes, legally assessed against him, and that he only paid them on compulsion. We will now show that this allegation was conceived in falsehood, presented to the public in a spirit of partisan malignity, and adhered to with a persistency that finds no parallel save in the lowest depths of defamation.

In the winter of 1866-67 Judge Packer, being then Vice-President and the largest stockholder of the Lehigh Valley Railroad Company, determined to make the city of Philadelphia his residence, as the duties of his position in the company, the ill-health of the President, and his own private affairs made his presence a necessity—almost continuously—in this city. This fact was well known at the time to many of his personal friends and business acquaintences. He made efforts to purchase a suitable house during that winter and spring, but finding none to suit him, he made his residence at the Merchants' Hotel, where he had during the past ten years, spent much more than half his time.

In the spring of 1867, the assessor of Mauch Chunk called on Judge Packer for a statement of his property for the purpose of assessment, and was then informed of his change of residence, remarking that the taxes on his personal estate would be paid in Philadelphia, but that his real estate in Mauch Chunk would be assessed there as usual. The assessor very properly, made his return, assessing only his real estate; but the county commissioners, without notice to Judge Packer added his stock in the the Lehigh Valley Railroad to the assessor's return.

When the collector called for the payment of taxes thus assessed, he was informed of Judge Packer's entire willingness to pay the amount due on his real estate, but objection was made to the payment of any tax assessed by the county commissioners on his personal estate, as he was a resident of Philadelphia, and was assessed there.

At this point, the Commissioners of Carbon County consulted counsel, as did also Judge Packer. The latter consulted Hon. W. A. Porter, lately one of the Judges of the Supreme Court, and Furman Sheppard, now District Attorney of this city. Both these gentlemen advised Judge Packer that he was not legally bound to pay the taxes assessed in Mauch Chunk on his personal property; that he had the same right to chose his place of residence as all other citizens had, and Philadelphia being his residence, he could be assessed for taxes only on his real estate in Mauch Chunk.

After receiving this opinion, Judge Packer stated to the counsel of the Commissioners and of the borough that he proposed to pay the taxes rather than endure the annoyance of a lawsuit, *even although his counsel advised him that he could not be compelled to pay. He proposed that if he could be assured that no difficulty would arise in the future from this cause, that he would pay the taxes for* 1867. The counsel for the Commissioners advised them that they could not assess Judge Packer for another year, and that any attempt on their part to do so would be fruitless, and they then received the taxes with that understanding and upon that agreement.

It is, indeed, strange that Judge Packer, rich as the Radical papers represent him to be, should not have the same right that the poorest man in the State has, to decide whether Mauch Chunk shall be his residence, or some other place. The true secret of all this fuss is that Judge Packer paid such immense taxes, as the following statement will show that the Mauch Chunk authorities were loth to loose him:

In the year 1865 the total amount of taxes levied for the borough of Mauch Chunk was	$71,815 68
Of this amount Judge Packer paid	50,186 48
For 1866 the total taxes were	63,546 26
Of this amount Judge Packer paid	44,190 57
For 1867 the total taxes were	54,625 53
Of this amount Judge Packer paid	33,373 70
Total amount levied for the three years ending December 30, 1868	189,987 64
Total amounts paid by Judge Packer for the three years ending December 30, 1868, nearly 67-100 and over ¾ of the whole	127,750 75

Subsequently to these assessments, a Republican Legislature passed a bill exempting the stock of corporations, in the hands of the individual stockholders, from taxation for State, county or local purposes. Under this act, approved by Governor Geary, on the third day of January, 1868, Judge Packer's railroad and other stocks, in common with the stocks of all oth-citizens of the Commonwealth, became non-assessable and exempt from taxation. Thus the revenue derived from Judge Packer's personal property, as well as that from every other citizen in the State, was remitted by the act of a Rupublican Legislature, approved by a Republican Governor. And yet, one would suppose from the character of the assaults made on Judge Packer by the Radical press and Radical speakers, that he is a dishonest man for not nullifying the act of January third, '68, and forcing the Commissioners of Carbon county or Philadelphia to accept what is not due to them, and which a Radical Legislature and Governor said should not be assessed or collected.

What difference, then, could his change of residence have made to the county and borough after the passage of this law? Very little. In 1868 Judge Packer was and could only have been assessed for his personal salary, moneys at interest, and some other small items. This was done in Philadelphia where the Judge has since resided and voted. In Mauch Chunk he was and is still assessed as a non-resident on his property taxable then. Thus it will be seen how a simple statement of facts emasculates the tissue of Radical falsehood of its design, and vindicates an honorable and worthy citizen.

But this is not all upon this subject of taxation. On the representation of irresponsible and subordinate revenue officers in this city, Thomas J. Bingham, of Pittsburg, and the Hon. John A. Bingham, orators imported and hired by the Radical State Committee to canvass this State for Geary and Williams, knowingly concealed from the public the amount of State and national taxes paid by Judge Packer in the First Collection district in this city. They falsely and maliciously assert that the records show the payment of only $8.50, and this is taken up and published throughout the length and breadth of the Commonwealth as truth. Nothing can be more utterly and intentionally false, as all persons who pay tax on their incomes well know. The very printed scedule furnished by the United States Revenue Department, upon which the return of incomes is made, shows to the credit of every stockholder the amount of tax withheld by a corporation on the dividends declared, which amount would be added to the dividend, if not withheld as a tax of the corporation. Thus the tax so withheld is paid on the incomes from these dividends by the corporation, on the nature of the trustee for the stockholder. The amount thus paid is part of the profits due Judge Packer on the earnings of the Lehigh Valley Railroad, and if not paid by them, would be returned, and accounted for by him. What, then, is the amount paid by Judge Packer, to the United States and the State, on his income from his interest in the Lehigh Valley Railroad, and the taxes on the tonnage and gross reciepts of his proportion of stock?

In the year 1866 it amounted to	$ 86,219
In the year 1867 it amounted to	66,111
In the year 1868 it amounted to	104,208
Making a total in three years of	$256,538

After refuting succinctly and in detail this base calumny of the supporters General Geary, we ought to expect a measure of atonement of their great crime, by a retraction of their falsehoods, and the publication of the truth as it is. Public decency, which has been shocked by the false accusation—common honesty which has been wantonly outraged—public character, which has been ruthlessly assailed, and the repudiation of the citizens so malignantly traduced, all demand that this base and wanton deception should have a full and and public retraction in every Republican paper, and from the mouth of every Republican speaker; from Governor Geary and Daniel Kalbfus, down to John A. Bingham and Columbus Delano, the imported orators from Ohio. Whether such magnanimity will be evinced or not, Judge Packer, will outlive all the slanders that have been heaped upon him, and find his triumphant vindication in the suffrages of the honest men of the Commonwealth.—*Philadelphia Age.*

Read, Think and Act!

Our appeal is to the intelligent, the candid and the independent. We ask only that people shall *understand* the issues before them, and that, understanding them, they reflect upon their duty in the premises and then discharge what they believe to be that duty when they come to cast their ballots. In order that the questions to be voted upon at the coming election, may be fairly and fully presented to the public, the BEDFORD GAZETTE will be furnished for the campaign, at the following low rates:

One copy	$0.50
Three copies	1.20
Five copies	1.75
Ten copies	3.00
Twenty copies	5.00

In all cases the cash must accompany the order. We respectfully ask the active men of our party to get up clubs for the campaign at every post-office in the county. In no other way can the good cause be more effectively supported than by the circulation of Democratic newspapers. It ought to be an easy matter to raise a club of twenty at any post office. Address MEYERS & MENGEL, Bedford, Pa.

GEARY'S PLATFORM.

Resolved, That we wholly approve the principles and policy of the administration of General Grant, and we heartily endorse every sentiment contained in his inaugural address, *and especially do hereby ratify and approve the late amendment to the Constitution of the United States proposed by Congress, known as the Fifteenth Amendment.—Radical Platform adopted at Philadelphia, June 24, 1869.—See Bedford Inquirer of July 2.*

Rally, White Men!

Men of Bedford county, all in favor of preserving our republican form of government, all opposed to the centralizing influence of the Fifteenth Amendment, all who believe with Stephen A. Douglas, that "this Government was established by White Men, for the benefit of White Men and their descendants forever," all who desire A CHANGE in the administration of affairs at Harrisburg, arise in your might, rally around the flag of Democracy and vote for your rights and your interests on the Twelfth of October!

NOW is the time to strike for victory. The enemy is disorganized, demoralized, disheartened. The conduct of Gov. Geary in the executive office, the Fifteenth Amendment and the extravagance and corruptions of the legislature, form a burden which the Radical party cannot carry. It is pressing them into the earth. As they totter under this load, it is your opportunity to defeat them. Rally to the polls, then, and vote and work for success!

Democrats, awake from your lethargy! Bring out every man to the election who will vote against the ticket which represents the Fifteenth Amendment! HAVE YOUR WAGONS READY ON THE DAY OF ELECTION to carry those to the polls who cannot walk or are dilatory. Give one day in the year to your Country, and remember that a *Full Democratic Vote is a Democratic Victory!*

Fair and Square.

The Snap Judgment ratification of the Fifteenth Amendment by the last legislature, *fastens Negro Suffrage irrevocably on the people of Pennsylvania*, if the political complexion of the legislature be not changed and John W. Geary dismissed from the office of Governor. *The issue is now fairly and squarely before the people.* Every man who deposits a ballot at the coming election, votes *for* or *against* Negro Suffrage in Pennsylvania and *for* or *against* endorsing the fraud and deception by which it is attempted to deprive the people of the right to settle the Suffrage question for themselves. It remains to be seen whether the Radical ring-masters can lead the masses of the Republican party, by the nose any longer. Are you for *Compulsory Negro Suffrage* in Pennsylvania, or are you against it? Your ballot will be your answer.

PACKER will not veto the repeal of the act ratifying the Fifteenth Amendment. Geary will.

A Subsidized Sheet.

The Radical politicians have contributed heavily in funds raised from their party, to the circulation of a paper printed in New York city, styled the "Irish Republic." Their design, in this, is, if possible, to taint the mind of Irish citizens with the heresies of Radicalism. They hope, in this way, to deceive the people whom they formerly persecuted on account of their place of birth and their religion. Scanlan and Moriarty, the editors and publishers of the "Irish Republic," are paid thousands of dollars out of the Radical corruption fund for the work they are attempting to do. But we have no fear that they will succeed in their nefarious attempt. A subsidized, hired and paid organ like the one in question, can have no influence with the people it seeks to tempt and mislead. The trick is too transparent not to be seen through, and will only expose its authors to the ridicule and contempt of those upon whom it is attempted to be played. No! no! Such Radical stipendiaries as Scanlan and Moriarty can neither deceive nor corrupt the Irish voters of Pennsylvania.

The Poor House Muddle.

The Radicals have made much talk about the Poor House question, as if they were not in great measure responsible for the state of affairs which exists in regard to that matter. Was it a Democratic Court or a Democratic Legislature, that placed the county in its present position in regard to the erection of a new Poor House? Did not Stutzman and Longenecker, both radicals, represent Bedford county, in the Senate and House at Harrisburg, and did not they pass the law under which the new Poor House was to have been erected? And did not Gov. Geary affix his signature to that act, and did not Francis Jordan, Secretary of the Commonwealth, a gentleman well acquainted with the facts in the case, advise him to sign it? Ay, there's the rub! If there is anything wrong about this Poor House business, Radical officials are as much to blame as any other body. They should clear their own skirts before attempting to make capital out of this matter against their political opponents. The only way the people can get this question into their own hands, is by defeating Geary and Longenecker.

A Trick.

Samuel Shafer, of Union tp., has been nominated for Commissioner, and Henry Moses, of Bedford tp., for Poor Director, by a few persons who lay claim to great virtue on the Poor House question. These nominations were really made by a few Radical wire-workers, who thought they were doing a very smart thing in their own interest. We have been informed (though we cannot vouch for the correctness of the information) that Mr. Moses declines the distinguished honor, and that Mr. Shafer "sticks." This leaves the Radicals with two candidates for Commissioner. The trick has recoiled upon its authors. We caution our friends throughout the county not to be deceived by this ruse of the enemy. Examine your tickets and see that the names of George Elder and Adam K. Pencyl are on them.

Only More Work!

There is no change in the Election Laws, except that the Registry Act requires that citizens whose names are not on the Registry Book, *shall make affidavit in writing* to the facts which heretofore they were only orally sworn to. Proof before Election Boards is now made by "*hand of write*," instead of "by *word of mouth*," as heretofore. The affidavit in writing of a qualified voter of the district that the party not registered has resided the lawful period in the district, is also required.—These are the only changes in the law. *He who could vote under the old law can vote under this one.* It will require more labor and and more time for a person not assessed (*or registered*) to get his vote under the present law, than under the former one. But this fact does not deprive him of the right to vote. It should however, stimulate him to renewed exertions to prevent designing men from cheating him out of his rights.

How the Ticket is to be Voted.

At the coming election the ticket will be voted in *four different slips*, headed, respectively, "*State*," "*Judiciary*," "*County*," and "*Township*," or "*Borough*." Tickets should be carefully cut, folded and tied *before* the day of election.

LONGENECKER voted for the Fifteenth Amendment which seeks to force you *down* to the level of Negroes at the polls.

How Many? How Much?

Ed. Scull, Esq., of Somerset, Assessor of Internal Revenue for this Congressional District, has been nominated for Senator, by the Radical wire-pullers, *vice* Stutzman forced to decline. John Cessna, Scull and Stutzman met in Philadelphia about ten days ago, and cooked up this arrangement.—Scull is Stutzman's man. The latter would agree to the nomination of no other. Next to Stutzman, Scull suits the Democrats better than any other radical in the District. He has endorsed Stutzman's votes and defends his whole course in the Senate. But Findlay suits us better, and will be elected.

John Cessna had a finger in this pie. He desires Scull's election so that a vacancy may be created in the Assessorship of Internal Revenue for this district. In that event, he will have a Franklin county man appointed to that office, by doing which he hopes to conciliate certain Radical politicians in that county who are at present inimical to his re-nomination for Congress. This accounts for Cessna's share in the job.

Some people who are a little dull of comprehension, cannot understand why Mr. Scull should be willing to lay down an office worth $2,000 per annum for one that will not net him over $500? What is the inducement? We presume nothing but "the good of the party!" Ha! ha! ha! How self-sacrificing in Mr. Assessor Scull!

A few questions are pertinent just here. How many offices is Mr. Scull entitled to? How much did it cost to to get Stutzman to decline?

GEARY recommended the ratification of the Fifteenth Amendment. A vote for him is a vote for compulsory Negro Suffrage.

You Can Vote Without Being Registered!

Let all voters *who have not been registered*, remember that under the Fourth Section of the Registry Act, they can vote, by making affidavit that they are citizens of Pennsylvania, that they have resided in the State for one year last, and if they had removed from the State, that they have resided therein six months next preceding the election, and that they have paid a State or County Tax within two years. The person not registered is also to produce the affidavit of a qualified voter of the proper district, as evidence that he (the person not registered) is known to the affiant, and that the said unregistered person has resided in the election district ten days immediately preceding the election. Blank affidavits of this description, have been furnished the Election Boards, for the convenience of persons not registered. Affidavits may be drawn up and sworn to before a Justice of the Peace, before election-day. We advise this course as it will save much time and trouble when the voting is going on. Democrats, of the several election districts of Bedford county! See to it that no Democrat is deprived of his vote because he is not registered.

GEARY is pledged to sustain the Fifteenth Amendment; PACKER is pledged to oppose it. Choose between them!

Don't Need to Be Bribed!

The Bloody Run *Press* insults the Democrats of Bedford county, and of Southampton township in particular, by falsely asserting that they *are waiting to be paid to go to the election.* Democrats turn out to vote their ticket for the sake of *principle*, not for *money*. The *Press* must not put them on a par with its own dupes. Men of Bedford county! Men of Southampton township, against whom this Radical slander is specially directed, turn out next Tuesday and rebuke your traducers!

HARD TIMES! HARD TIMES! Well, the Radical party have been in power for eight years. Is it any wonder times are "hard?"

Roorbacks!

Spurious tickets, with the names of all the Democratic candidates upon them except that of William Keyser, for Sheriff, for which that of Wm. Dibert, the Radical candidate, is substituted, are in circluation. Others, also, with the name of J. W. Lingenfelter for Pronthonotary, substituted for that of John P. Reed, have been shown us. These are counterfeits of the Democratic ticket. Watch for them and see that no one is deceived by them.

SCULL, LONG, and LONGENECKER will be governed by the opinion of Francis Jordan, Esq., Secretary of the Commonwealth, on the Poor House question.

Tax Catechism.

Who paid over sixty-seven per cent. of all the expenses of the borough of Mauch Chunk for the years 1865, 1866 and 1867?

ASA PACKER, the accumulations of whose industry enabled him to pay for such purposes during those years the sum of $29,518.64.

Who paid over sixty-seven per cent. of all the taxes levied for the expenses of Carbon county during the years 1865, 1866 and 1867?

ASA PACKER, whose honestly earned means enabled him to pay during those years the sum of $26,948.96.

Who paid over sixty-seven per cent. of the whole amount levied for the support of the honest poor of Carbon county during the years 1865, 1866 and 1867?

ASA PACKER, who, by the sweat of his brow, grew to be a man of wealth, and the tax revenue derived from which, and dedicated to the poor, amounted in those years to the sum of $16,844.73.

Who paid over sixty-seven per cent. of the amount raised for the education of the children of Mauch Chunk in the years 1865-'66, and '67?

ASA PACKER, from the bounty that blessed a life of toiling industry, he was enabled to pay in those years the sum of $26,938.10 for the education of that borough. In *one* year, from his taxes, 371, out of 621 children, were educated, and more than six thousand dollars, of a debt of ten thousand for school purposes, was paid.

Who paid over sixty-seven per cent. of all the money raised for bounties in the borough of Mauch Chunk when the government was assailed, and our brave soldiers went forth to battle?

ASA PACKER, from his wealth, unstained by fraudulent gains from "shoddy" contracts, rotten commissary stores, or wretched hospital supplies, assisted in the maintenance of our brave soldiers' parents, wives and children, by the payment in two years alone of $22,728 29.

"Lower" than Stutzman.

A Radical Newspaper on Ed. Scull.

That able, outspoken republican newspaper, the Pittsburg *Commercial*, goes back on Mr. Scull, and warns the Republicans of this District to judge well of his fitness ere they send him to the senate *vice* Stutzman. We clip the following from the *Commercial* of the 24th ult., and commend it to the consideration of the republican voters of the district—especially of Bedford county—and it is for them to say whether they didn't "exchange sheep for shells, or wool for pebbles":

In announcing that Stutzman had been forced to back out, we suggested that Mr. Scull, editor of the Somerset *Whig*, would be a proper person to take his place as the Republican Senatorial candidate in that District; but from what appears in the last number of the *Whig*, we are led seriously to doubt whether the change would be an improvement, at least in decency of manners. The editor in one breath declares that "no citizen enjoys a higher reputation for personal worth and integrity than does Mr. Stutzman," and in another abuses the COMMERCIAL as is the habit of the corruptionists. This certainly affords ground for an unfavorable inference. It is a little singular that one with a "higher reputation for personal worth and integrity" than any other man in the district should be forced off the Republican ticket because the best men of the party refused to support him and his defeat was inevitable. Brother Scull, we fear, has flattered too much and abused too foully. The Republicans of the District will judge as to this. If Stutzman's reputation is, as the *Whig* says, "higher" than any other man, then their embarrassment is calculated to excite sympathy, since, according to this, they will be compelled to *go lower* than Stutzman.

Beware.

All sorts of mixed tickets are being circulated by the Radical candidates and politicians. Look out for them. Examine your ballot before you vote and see that you have the *full Democratic ticket.*

FINDLAY, NOBLE and SIPE are pledged to vote for the repeal of the fraudulent ratification of the Fifteenth Amendment.

Don't Scratch!

Give them a solid shot! Don't throw away your vote by scratching your ticket! Vote for Reed, Keyser, Moore, Elder, Pencyl, McGirr and Butts.

United!

The Democracy of Bedford county are now perfectly united on their county ticket. Mr. Isaac D. Earnest, who was talked of as an independent candidate, is now supporting Mr. Keyser and rendering effective assistance to the whole ticket. Now, to work, and forward for victory!

SCULL will vote against the repeal of the ratification of the Fifteenth Amendment. FINDLAY will vote for its repeal. Choose ye!

GET your wagons ready for Election-day! Bring out the voters! Charge along the whole line!

Fun.

Prof. Murray, a gentleman of color, came to town the other day. His mission is to deliver lectures in advocacy of the 15th Amendment. On his arrival he proceeded to the *Inquirer* office and asked Bro. Lutz to print him some posters announcing his lecture. Knowing that the Radical party originated the Fifteenth Amendment, that Gov. Geary endorsed it, that the last Radical legislature (including Mr. Longenecker) ratified it, he expected much sympathy at the *Inquirer* office.—What was the sable Professor's amazement, when Bro. Lutz informed him that he could not have his bills printed in his office! A little while after the sole owner and proprietor of the Radical party in this county, Bro. John Cessna, peeped around the corner above his office, and Prof. Murray sought comfort in the sage counsel of the immortal manufacturer of Post Masters and Revenue officials. But John, discarding for once the screech owl treble in which he generally heralds public affairs on the streets, and speaking in a low undertone, expostulated with the Professor against delivering the lecture, and finally the African "man and brother" secumbed to the persuasive powers of the dissuasive Congressman. But other zealous members of the Radical party came to the rescue of the snubbed Professor. The Democrats, by principle in favor of Freedom of Speech, said, "Let him be heard? if his lecture is unsound in facts or argument, it can do no harm." So Brother Lutz and Cessna, themselves the strongest advocates of the Fifteenth Amendment, were put to shame, and the padlock they had put on the mouth of Prof. Murray, was removed. Now, why could not these latter have been consistent and permitted this African, whom they pretend to consider their political equal, to speak in behalf of the doctrine which they profess to hold? Ay, that's the duestion? The answer is simply, *because the election is near at hand and they mean to deceive their followers, once more if possible.* Pretty leaders of a great party, aren't they now?

Two Offices.

Mr. Lingenfelter, Esq., has been nominated for Justice of the Peace on the Radical ticket in this borough. He is, also, the Radical candidate for Prothonotary. He cannot hold both offices. His acceptance of both these nominations looks a little queer.

REMEMBER.

The polls *must* be opened between the hours of 6 and 7 in the morning and closed at 7 in the evening. The new election law requires this.

THREE THOUSAND DOLLARS is the extent of recovery for any injury to the person by railroad accident, short of death itself. The victim may have been cruelly lacerated by the criminal neglect of a railroad employee. He may have been deprived of his limbs and thereby of ability to earn a livelihood, but John W. Geary and the banditti of the legislature have limited in every case the damages to three thousand dollars. No jury in the Commonwealth, no matter what the evidence of injury or neglect, may give a verdict for a greater amount. The victim may be subjected to a bed of torture for all the years of his life, but John W. Geary has taken it out of the power of a jury of his countrymen to compel a rich corporation to make reasonable compensation.

* * * * * Although the eruption is not so violent now, the volcano is a fearful sight to behold. The rivers of lava still flow, and the smoke from the crater ascends in awful majesty. During this volcanic upheaval it has been very sickly here. A peculiar sort of low malarious fever, which has grown out of foul, condensed vapors of the volcano, has prevailed to an alarming extent, and at one time it was feared it would depopulate the island. But fortunately, a sea captian (calling here for supplies) distributed Plantation Bitters to the suffering, and quick and thorough cures were the result. The news spread like wild-fire. Messrs. Ching-Takin & Co., Commision Merchants, had these Bitters for sale. In a short time their office was besieged and their supply exhausted. A steamer was dispatched to San Francisco by order of the Hospital Department, and a new and enormous supply obtained as soon as possible. From that moment the scourge was stayed. Not another fatal case occurred, and the epidemic has now entirely disappeared. * * * Is this wonderful remedy known in your city? I hope so, for it is a sure cure for all fevers and miasmatic sickness. You may tell your friends so for me. * * * H. M. C.

Schenck's Pulmonic Syrup,

Seaweed Tonic and Mandrake Pills, will cure Consumption, Liver Complaint, and Dyspepsia, if taken according to directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work: then the appetite becomes good; the food digests and makes good blood; the patient begins to grow in flesh; the diseased matter ripens in the lungs, and the patient outgrows the disease and gets well. This is the only way to cure consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heal.

To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood.

Schenck's Mandrake Pills act upon the liver, removing all obstructions, relax the ducts of the gall-bladder, the bile starts freely, and the liver is soon relieved; the stools will show what the Pills can do; nothing has ever been invented except calomel (a deadly poison which is very dangerous to use unless with great care), that will unlock the gall-bladder and starts the secretions of the liver like Schenck's Mandrake Pills.

Liver Complaint is one of the most prominent causes of Consumption.

Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the Alkali in the Seaweed, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fermentation or souring in the stomach.

The great reason why physicians do not cure consumption is, they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, hectic fever, and by so doing they derange the whole digestive powers, locking up the secretions, and eventually the patient sinks and dies.

Dr. Schenck, in his treatment, does not try to stop a cough, night sweats, chills, or fever. Remove the cause, and they will all stop of their own accord. No one can be cured of Consumption, Liver Complaint, Dyspepsia, Catarrh, Canker, Ulcerated Throat, unless the liver and stomach are made healthy.

If a person has Consumption, of course the lungs in some way are diseased, either tubercles, abscesses, bronchial irritation, pleura adhesion, or the lungs are a mass of inflammation and fast decaying. In such cases what must be done? It is not only the lungs that are wasting, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin to want food, it will digest easily and make good blood; then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs commence to heal up, and the patient gets fleshy and well. This is the only way to cure consumption.

When there is no lung disease, and only Liver Complaint and Dyspepsia, Schenck's Seaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all billious complaints, as they are perfectly harmless.

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weighs 225 pounds, was wasted away to a mere skeleton, in the very last stage of Pulmonary Consumption, his physicians having pronounced his case hopeless and abandoned him to his fate. He was cured by the aforesaid medicines, and since his recovery many thousands similarly afflicted have used Dr. Schenck's preparations with the same remarkable success. Full directions accompanying each, make it not absolutely necessary to personally see Dr. Schenck, unless the patients wish their lungs examined, and for this purpose he is professionally at his Principal Office, Philadelphia, every Saturday, where all letters for advice must be addressed. He is also professionally at No. 32 Bond Street, New York, every other Tuesday, and at No. 35 Hanover Street, Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is $5. Office hours at each city from 9 A. M. to 3 P. M.

Price of the Pulmonic Syrup and Seaweed Tonic each $1.50 per bottle, or $7.50 a half-dozen. Mandrake Pills 25 cents a box. For sale by all druggists.

TURN OUT ON THE 12TH OF OCTOBER.

A CARD.—When I returned home, after a short absence, I was met by kind friends who said that the report was all around Bedford that "Shannon was broke up, ran off," &c., &c. I was happy to find myself a living contradiction of the story, and to find my property in its accustomed place. I owe some money and intend to pay it. I do not owe those who have found it pleasant to do the most talking. If I had been disposed to give up or break up, I might have pocketed enough by this time to have made a fashionable break; but it is not my style. The last dollar will be employed in paying the last cent of indebtedness, with a well grounded hope of $30,000 or $40,000 left, with any kind of good luck.

O. E. SHANNON.

RAILROAD MEETING.—On Wednesday evening of last week, the Court House was filled by an audience who had come hither, pursuant to previous notice, to listen to addresses on the subject of a Railroad for Bedford, to connect with some route already surveyed.

On motion, the meeting was organized by the appointment of Hon. S. L. RUSSELL, President, Hon. GEO. W. GUMP and Dr. GEORGE ANDERSON, Vice Presidents, and M. A. Points, Esq., and Geo. H. Mengel, Secretaries.

Hon. A. King then proceeded to address the meeting, and after a short, felicitous address, which was attentively listened to, he introduced as the orator of the evening, Col. JAMES WORRAL, of Harrisburg, who is distinguished throughout the country for the eminent part which he has borne in promoting the interests of Railroads. In a graphic manner he portrayed our present isolation and the backward, antiquated state of Bedford. He declared the route proposed by him, to lead from Harrisburg to connect with the Connellsville Railroad, was a better route than that of the Pennsylvania Railroad; whilst Bedford enjoys all the advantages of position and natural wealth, yet she is *in statu quo*, and might as well be at the North Pole, for her energies really seem frozen up. He offered himself to incur the preliminary expense of surveying, engineering and arranging the first details incident to building a road.

Hon. D. WATSON ROWE, Assistant Law Judge of this Judicial District, then eloquently addressed the meeting. He contrasted his home, Greencastle, with Bedford, and showed how steam had dispelled the Rip Van Winkle sleep of his region and breathed life and vigor into every business interest. That if we should get a through Railroad, Bedford Springs would rival the celebrated Springs of Vichy and Baden Baden.

On motion, a Committee, with two books, was appointed by the President, to receive subscriptions -one from Bedford to Mt. Dallas and one, from Bedford to Bridgeport.

On motion, the proceedings of the meeting be published in the papers of this county.

On motion, adjourned.

S. L. RUSSELL, Prest.

M. A. POINTS, GEO. H. MENGEL, } Secretaries.

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of any election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as an Inspector in his place. And in case the person who shall have received the highest number of votes for Inspector shall not attend, the person elected Judge shall appoint an Inspector in his place; and in case the person elected a Judge shall not attend, then the Inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election the qualified voters of the township, ward or district for which such officer shall have been elected, present at the place of election, shall elect one of their number to fill such vacancy,

"It shall be the duty of the several assessors respectively to attend at the place of holding every general, special or township election, during the whole time such election is kept open, for the purpose of giving information to the Inspectors and Judge, when called on, in relation to the right of any person assessed by them to vote at such election, and on such other matters in relation to the assessment of voters, as the said Inspectors or ether of them shall from time to time require.

"No person shall be permitted to vote at any election as aforesaid, than a white citizen of the age of twenty-one or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, ten days immediately preceding such election, and within two years paid a State or county tax, which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes aforesaid, shall be entitled to vote after residing in this State six months. *Provided*, That the white freemen, citizens of the United States, between the age of twenty-one and twenty two years who have resided in the election district ten days as aforesaid shall be entitled to vote, although they shall not have paid tax.

By the Act of Assembly of 1869, known as the "Registry Law," it is provided as follows:

1 "Election Officers are to open the polls between the hours of six and seven, A. M., on the day of election. Before six o'clock in the morning of second Tuesday of October they are to receive from the County Commissioners the Registered List of Voters and all necessary election blanks, and they are to permit no man to vote whose name is not on said list, unless he shall make proof of his right to vote as follows:

2. The person whose name is not on the list, claiming the right to vote must produce a qualified voter of the district to swear in a written or printed affidavit to the residence of the claimant in the district for at least ten days next preceding said election, defining clearly where the residence of the person was.

3. The party claiming the right to vote shall also make an affidavit, stating to the best of his knowledge and belief where and when he was born, that he is a citizen of Pennsylvania and of the United States, that he has resided in the State one year, or, if formerly a citizen therein and removed therefrom, that he has resided therein six months next preceding said election, that he has not moved into the district for the purpose of voting therein, that he has paid a State or county tax within two years, which was assessed at least ten days before the election, and the affidavit shall state when and where the tax was assessed and paid, and the tax receipt must be produced unless the affiant shall state that it has been lost or destroyed, or that he received none.

4. If the applicant be a naturalized citizen, he must, in addition to the foregoing proofs, state in his affidavit, when, where, and by what court he was naturalized, and produce his certificate of naturalization.

5. Every person, claiming to be a naturalized citizen, whether on the registry list, or producing affidavits as aforesaid, shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years consecutively a voter in the district where he offers to vote; and on the vote of such person being received, the Election Officers are to write or stamp the word "voted" on his certificate with the month and year, and no other vote can be cast that day in virtue of said certificate except where sons are entitled to vote upon the naturalization of their father.

6 If the person claiming to vote who is not registered shall make an affidavit that he is a native born citizen of the United States, or, if born elsewhere, shall produce evidence of his naturalization, or that he is entitled to citizenship by the reason of his father's naturalization, and further, that he is between 21 and 22 years of age, and has resided in the State one year, and in the election district ten days next preceding the election, he shall be entitled to vote though he shall not have paid taxes."

Election Proclamation.

"Every person qualified as aforesaid, and who shall make due proof if required, of his residence and payment of taxes aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

"If any person shall prevent or attempt to prevent any officer of an election, under this act from holding such election, or use or threaten any violence to any such officer, and shall interrupt or improperly interfere with him in the execution of his duty, shall block up or attempt to block up the window or avenue to any window where the same may be holden, or shall riotously disturb the peace of such election, or shall use or practice intimidation, threats, force or violence, with the design to influence unduly or overawe any elector, or prevent him from voting, or to restrain the freedom of choice, such persons on conviction shall be fined in any sum not exceeding five hundred dollars, to be imprisoned for any time not less than one nor more than twelve months, and if it shall be shown to the court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward or district where the said offence was committed, and not entitled to vote therein, on conviction, he shall be sentenced to pay a fine not less than one hundred or more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

"If any person or persons shall make any bet or wager upon the result of an election within the commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation or otherwise, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

And the election laws of the commonwealth further provide that "The Inspectors, Judges and clerks shall, before entering on the duties of their offices, severally take and subscribe the oath or affirmation hereinafter directed, which shall be administered to them by any judge, alderman or justice of the peace, but if no such magistrate be present, one of the inspectors of the election shall administer the oath or affirmation to the other judge and inspector, and then the inspector so qualified shall administer the oath or affirmation to him.

"The inspectors, judge and clerks required by law to hold township and general elections, shall take and subscribe the several oaths and affirmations, required by the 19th, 20th and 21st sections of the act of the 2d day of July 1839, entitled "An act relating to the elections of this commonwealth," which oaths or affirmations shall be prepared and administered in the manner prescribed in the 18th and 22d sections of said act, and in addition to the power conferred by the 18th section of said act, the judge, or either of the inspectors, shall have power to administer the oaths prescribed by said act, to any clerk of a general, special or township election.

"The following shall be the form of the oath or affirmation to be taken by each inspector, viz: 'I (A. B.) do——that I will duly attend to the ensuing election during the continuance thereof, as an inspector, and that I will not receive any ticket or vote from any person, other than such as I shall firmly believe to be, according to the provisions of the constitution and the laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, nor will I vexatiously delay or refuse to receive any vote from any person who I shall believe to be entitled to vote as aforesaid, but that I will in all things truly, impartially and faithfully perform my duty therein, to the best of my judgment and abilities, and that I am not directly, nor indirectly, interested in any bet, or wager on the result of this election.'

"The following shall be the oath or affirmation of each judge, viz: 'I (A. B.) do——that I will as judge duly attend the ensuing election during the continuance thereof, and faithfully assist the inspectors in carrying on the same; that I will not give my consent that any vote or ticket shall be received from any person other than such as I firmly believe to be, according to the provisions of the constitution and laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, and that I will use my best endeavors to prevent any fraud, deceit or abuse, in carrying on the same by citizens qualified to vote, or others, and that I will make a true and perfect return of the said election, and will in all things truly, impartially and faithfully perform my duty respecting the same, to the best of my judgment and abilities, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

"The following shall be the form of the oath or affirmation to be taken by each clerk, viz: 'I (A. B.) do——that I will impartially and truly write down the name of each elector who shall vote at the ensuing election, which shall be given me in charge, and also the name of the township, ward or district, wherein such elector resides, and carefully and truly write down the number of votes that shall be given for each candidate at the election, as often as his name shall be read to me by the inspectors thereof, and in all things truly and faithfully perform my duty respecting the same to the best of my judgment and ability, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

The qualified electors will take notice of the following act of Assembly, approved 12th day of March, 1866: AN ACT, Regulating the mode of voting at all elections, in the several counties of this commonwealth.

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the qualified voters of the several counties of this commonwealth, at all general, township, borough and special elections, are hereby, hereafter, authorized and required to vote, by tickets, printed, or written, or partly printed and partly written, severally classified as follows: One ticket shall embrace the names of all judges of courts voted for, and to be labelled, outside, "judiciary," one ticket shall embrace the names of all state officers voted for, and be labelled, "state;" one ticket shall embrace the names of all county officers voted for, including office of senator, member, and members of assembly, if voted for, and members of congress, if voted for, and be labelled, "county;" one ticket shall embrace the names of all township officers voted for, and be labelled, "township;" one ticket shall embrace the names of all borough officers voted for, and be labelled, "borough;" and each class shall be deposited in seperate ballot-boxes.

The act decided unconstitutional by the Supreme Court provided as follows:

OUR NEW FAMILY SEWING MACHINE.

The superior merits of the "Singer" Machines over all others, for either Family use or Manufacturing purposes, are so well established and so generally admitted, that an enumeration of their relative excellences is no longer considered necessary.

OUR NEW FAMILY MACHINE,

which has been brought to perfection regardless of time, labor, or expense, is now confidently presented to the public as incomparably the Best Sewing Machine in existence. The machine in question is Simple, Compact, Durable and Beautiful. It is quiet, light running, and

CAPABLE OF PERFORMING A RANGE AND VARIETY OF WORK

never before attempted upon a single Machine,—using either SILK, TWIST, LINEN OR COTTON THREAD, and sewing with equal facility the very finest and coarsest materials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for Hemming, Braiding, Cording, Tucking, Quilting, Felling, Trimming, Binding, etc., are Novel and Practical, and have been invented and adjusted especially for this Machine.

New designs of the Unique, Useful, and Popular Folding Tops and Cabinet Cases, peculiar to the Machines manufactured by this Company, have been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed through the medium of a (necessarily) limited advertisement; and we therefore urge every person in quest of a Sewing Machine, by all means to examine and test, if they can possibly do so, all the leading rival Machines before making a purchase. A selection can then be made understandingly. Branches or agencies for supplying the "Singer" Machines will be found in nearly every city and town throughout the civilized world, where Machines will be cheerfully exhibited, and any information promptly furnished. MIDDLETON'S

WONDERFUL PAIN CURE

A sure remedy for Rheumatism, Neuralgia, Lumbago, Growing Pains, Sprains, Bruises, Stiffnes, of the Joints and all similar diseases.

This wonderful remedy is composed entirely of vegetable ingredients. There are no injurious substances used in its manufacture.

For assurance of its excellent properties, read the following certificates:

BEDFORD, May 8, 1869.

I take great pleasure in giving my testimony to the value of "Middleton's Wonderful Pain Cure." I have been a martyr to Rheumatism. For two months previous to Feb. 25th, last, I was suffering intensely with pain so severe, that during all that time I had not one night of comfortable sleep. I could not put my hands to my face, could not comb my own hair, nor feed myself; but after having the Pain Cure applied once, I found relief enough to give me comfortable sleep, and with its steady use, I continued to get better, and now at the end of ten weeks from its first application, I have comparatively free use of my hands, sleep well and can attend to business. It has done me more good than all other medicines I have ever used put together, and I cheerfully give this certificate of its value.

ELI M. FISHER.

BEDFORD, April 14, 1869.

Mr. W. W. Middleton,

This is to certify that I was taken with Rheumatism, in my right shoulder, on the evening of the 8th inst., so that I was unable to raise my hand to my face. I got some of your Pain Cure and applied it twice, and was entirely relieved. I would recommend to every one who suffers with Rheumatism to give it a trial and be cured.

Yours &c., A. F. MILLER.

BEDFORD, May 17, 1869.

Mr. Middleton,

DEAR SIR:—I have used several bottles of your medicine in my family, and find it to be all you claim for it. Yours, truly,

JOHN HAFER.

BEDFORD, May 13, 1869.

This is to certify that I have used "Middleton's Pain Cure," for Rheumatism, and was very much benefited by it. JOHN HARRIS.

BEDFORD, May 18, 1869.

This is to certify that I have used Middleton's Liniment, for the Rheumatism which I had in my right shoulder so bad that I could not get my hand to my head without great pain, and after a few applications was entirely relieved.

L. F. DART.

BEDFORD, May 1, 1869.

Mr Middleton,

Dear Sir:—Mrs. Bowser was in much suffering for some four weeks with Rheumatism, and got some of your Pain Cure, and the first night I applied it it eased the pain; and after keeping on using it for two weeks, she was restored to health. I feel it to be my duty, as it is a pleasure, to write this recommendation for the benefit of others. JACOB BOWSER.

BEDFORD, May 16. 1869.

Mr W. W. Middleton:

Sir—I procured a bottle of your Liniment for Rheumatism, and it gives me great pleasure in saying that after using it for two days, my rheumatism was completely relieved. My sister was suffering, at the same time, with Inflamatory Rheumatism in her right hand and wrist—after using it for several days she was relieved. I consider it the best remedy I ever heard of.

JOHN KEEFE.

BEDFORD, May 24, 1869.

This is to certify that I have used one bottle of Middleton's Liniment, for Rheumatism, and think it a good cure, and would recommend it to all persons that are afflicted with the above disease.

AUGUSTUS CARVER.

BEDFORD, May 26, 1869.

Mr. Middleton:

Sir—I procured one bottle of your medicine and used one-half of it for Rheumatism, which effected a permanent cure up to this time. I cannot hesitate in saying that it is the best remedy I ever used. A. B. CARN.

This excellent PAIN CURE is prepared only by W. W. MIDDLETON, Bedford, Pa., to whom all orders for the medicine should be addressed.

AYER'S

HAIR VIGOR,

FOR THE RENOVATION OF THE HAIR.

THE GREAT DESIDERATUM OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S CATHARTIC PILLS,

For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For DYSPEPSIA or INDIGESTION, LISTLESSNESS, LANGUOR and LOSS of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or Green SICKNESS, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHŒA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

MUSICAL DOINGS.—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of Pianos and Melodeons. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Premium at several Fairs. Many people of the present day, who are attracted, if not confused, with the flaming adeertisements of rival piano houses, probably overlook the modest manufacturer like Mr. Waters; but we happen to know that his instruments earned him a good reputation long before Expositions and "honors" connected therewith were ever thought of; indeed, we have one of Mr. Waters' Pianofortes now in our residence (where it has stood for many years,) of which any manufacturer in the world might well be proud. We have always been delighted with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more than this, some of the best amateur players in the city, as well as several celebrated pianists, have performed on the same piano, and all pronounce it a superior and first-class instrument. Stronger endorsement we could not give.—*Home Journal.* jan15,'69.

AYER'S SARSAPARILLA,

FOR PURIFYING THE OOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla; St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhœa or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.
